So why choose Selby Contract Flooring?

Our Installation Promise.

We offer a **3 YEAR** installation guarantee:

If you have any issues with your flooring within this period just call us and we will come and sort it for you.

Our Completion Promise.

We will complete on time

Once you have agreed a time frame for your works we guarantee to meet this. We are professionals in meeting our cut off dates. We will give you a realistic time frame and stick to it.

Our Price Promise.

We stick to our quote

Our product and fitting price is fixed for 30 days and will not change once you agree to process. If we have included take up of existing materials to be disposed of, although random areas were tested at the time of the measure and priced accordingly, a review of costing for this and sub floor preparation may be required if found to be otherwise.

What Happens Now?

I will call you tomorrow afternoon to confirm all the details and discuss potential installation dates. In the meantime, please contact me if I can help you any further.

Extra notes: Costs are based on normal working hours (unless stated above) with installation clear of other trades and your members of staff. Goods remain our property until paid for. Cancellation policy: If an install is cancelled or postponed within 2 working days of the agreed date, installer day rates will be charged unless we can find work for them elsewhere.

I trust you will not hesitate to contact me should you have any queries.

Yours sincerely,
